Hello! Dear Partner

We are delighted to invite you to join the International Osteology Symposium 2026 in Vienna, themed “**Beyond Regeneration**”.

This event promises to be a remarkable gathering of over 3,000 international participants including general practitioners and specialists in the fields of periodontology, oral and maxillofacial surgery, implantology, and related disciplines.

Our scientific programme is designed by world-renowned experts together with the rising stars of oral tissue regeneration. The program features innovative technologies and the latest research, extending beyond the classic topics of oral tissue regeneration. Leading dental associations will partner with Osteology for an unparalleled educational experience. Importantly, a vibrant social program will ensure a memorable and enjoyable networking opportunity for all delegates and industry.

The theme “**Beyond Regeneration**” also represents our intention to collaborate with all industry partners beyond what is traditionally offered. Flexible, attractive and innovative opportunities to showcase your products and people will be available. State-of-the-art facilities at the exhibition hall in Vienna are second to none and with a variety of packages

and new sponsoring possibilities to choose from you can select the package and add-ons which best suit your needs, ensuring your presence at the International Osteology Symposium 2026 is a great success.

Be our partner, **be Osteology!**

We look forward to welcoming you to this unique event.
